

The City of Rancho Mirage Emergency Preparedness Commission invites your business to field a five-person team in the inaugural Race To Be Ready on Sunday, March 30, 2014.

The goal of the event is to stage an annual healthy, educational, family-oriented, community activity to ensure every resident, HOA, visitor, school, country club and business is fully prepared for future area emergencies.

The Race To Be Ready will be a 5K Race / 1K Walk and Expo. Athletes, residents, businesses, tourists and families will travel 5K and 1K routes through Rancho Mirage.

At the Expo site, attendees will have the opportunity to learn not only the why and how, but also the ease, of emergency preparedness. Hands-on training and demonstrations of emergency communications, management and preparedness resources will be showcased by state and national organizations. Emergency preparedness vendors will display and sell their goods.

RACE TO BE READY

and Emergency Preparedness Expo

Learn to be prepared

It's fun, healthy and educational!
